

January 2022 Newsletter

MBS Kids Early Learning Academy

18920 Mayde Creek Rd. Houston, TX 77084

Dear Families,

December was exciting and busy. The children performed holiday songs at our first Program, the Elves on the Shelf got into a ton of mischief, we hosted a toy drive, the Polar Express Movie was a lot of fun, Santa's Workshop was a success, and the children had fun at Santa's Workshop!

2022 has arrived and this year will be full of fun activities, learning experiences, and family events.

January will be another exciting month for the children. We will be learning all about Polar Animals, we will celebrate Martin Luther King's Birthday, and will rock to Elvis music. We even have a Movie night planned where we will watch Frozen—join us!

Be sure to keep an eye on our Facebook page for the latest news, events, and photos.

Movie Night—Frozen

Join us on Friday, 1/28 for a family movie night.

We will be watching the movie **Frozen.**

6:30 pm in the Imagination Station. Refreshments will be served. Please sign up at the front desk.

Does Winter Weather Make Our Children Sick?

The answer is no. The cold weather doesn't make our children sick, viruses and bacteria make them sick. The main reason people are more likely to get sick in the winter is because we are spending less time outdoors and more time in our homes, schools and workplace where the windows are kept shut to keep the warmth in.

So how do we lessen the likelihood of getting sick? Stay home when you are sick and keep your child home so as not to spread viruses. Go outside more often, wash your hands frequently and make sure you and your child have the proper clothing on to go outside in the winter weather. And, while COVID is still active, please wear your mask in public and in the school when dropping off and picking up your child.

Take Home Craft

Each month, MBS Kids will send home a fun craft for you to complete with your child. After you complete the activity, **post a picture of your child with the completed craft on our Facebook page** to be entered in a prize drawing.

We hope you enjoy these activities.
